

# Kindergarten

04-24-2019

Mrs. Dickerson

Mrs. Geary

## Important Reminders:

We just want to make sure that everyone is checking their mail. All students should have received an Easter card and we mailed out another letter on Tuesday. We sure miss our kiddos!

If your child would like to share a picture of his/her baptism, please have the photo ready to go for religion class.

We will be using more and more of our kindergarten paper. There is a piece included in this week's work to print at home. Please print out several copies of handwriting paper as we will use it often.

### Math

Next week in math, we will review time to the hour and introduce time to the half hour. We will practice writing our numbers by twos, fives, and tens.

### Sight Words

#### **Sight words last week were:**

do, went, just, down, little, only.

**Next week:** have, one, ask, help, every, walk.

Add these words to your flashcards and practice daily!

### Religion

Next week in Religion, we will share Baptism photos. We will discuss how faith and hope involve believing without seeing. We will discuss how we can be disciples of Jesus.

### Reading and Writing

Next week in Reading and Literacy, we will introduce our six new popcorn words and our two new letters of the week, "Ll and Ww." We will introduce homonyms. We will unscramble words to make a complete sentence. We will work on decoding words by using our sounds.

In Writing, we will discuss subject/verb agreement and words in the past, present, and future.

### Science/Social Studies

In Social Studies, we will continue with our new unit, "Our World." We will learn how to read and navigate a map.

In Science, we will introduce "force." We will learn how to use force to move objects. We will discuss moving objects by pushing and/or pulling. We will discuss how wheels affect the amount of force we need to move an object.
