Annual Parish Pledge

It's time to renew your annual pledge for the support of the many ministries of the parish. Your pledge supports a whole variety of important programs and ministries like youth ministry and confirmation, children's faith formation, Carpe Diem, ministry to the sick and dying, the Sacrament of Reconciliation. Baptisms, weddings, funerals, and Mass every day of the week. None of this can happen without your support. In addition, **22% of what you give to the parish comes to our school** to support our programs, facilities, and instruction. Every family who receives the Contributing Parishioner Tuition Rate is required to have an annual pledge on file and make regular progress toward fulfilling their pledge. You can update your [pledge online](#) or with a pledge card from the church at Mass or the parish office.

Trunk or Treat

Thank you to everyone who made our Trunk or Treat such a great success this year! There were so many terrific decorated cars for the students to visit! I especially want to thank Lorrie and Eric Baldevia and their family along with Kruti Stack for all of their work to make the event so much fun – the music, food, drinks, dancing, prizes, and more.

Annual vision and hearing screenings complete

Last week, we conducted our annual vision and hearing screenings for students in grades K-3, 5 and 7 and other students at the request of parents. A total of 241 students were included in this year's screenings.

I want to send a huge shout out of thanks to our many parent volunteers who made this year's screenings possible. This was Kelly Bach's first year as our Health Screening Volunteer Coordinator. Eileen Crispin volunteered her time and talents for the second year to conduct all the vision screenings using the PlusOptix mobile vision screener. We had 17 parent volunteers who conducted all of our hearing screenings. Thank you to everyone for volunteering your time and doing such a great job!

Vision and/or Hearing results: Parents will ONLY be notified of vision and/or hearing results that warranted follow-up by a healthcare professional. For vision results, parents will receive an email by November 2nd. For hearing screenings, WA State requires students who did not hear the frequencies tested to be re-screened in 6 weeks. We have 18 students that will be re-screened on December 3rd. At that point, parents will be notified if results warrant follow-up by a healthcare professional.

Pick Up Time

When picking up in the lower lot please remember:

- 1) If you park in a "front" spot, do not leave your car so that you don't block the person behind you.
- 2) Leave the parking lot only from the exit at the north end. Do not exit through the entrance on 14th Street.
- 3) Follow all directions from the staff members on duty.
- 4) Drive slowly and carefully through the parking lot.

November is a Month for Remembrance

The month of November is set aside in the Church to remember all those who have died. We will have a Book of Remembrance in the school lobby for parents, staff, or students to write the names of friends and loved ones who have died so that we can pray for them throughout the month of November.

Remember to move your clocks back this Sunday!

Claim your items in Lost & Found

The lost & found closet is overflowing with unlabeled SHS sweatshirts and fleeces, water bottles, lunchboxes and non-SHS clothing. Please remember to LABEL all items brought to school. All unclaimed items will be donated by November 1st.

Did you know that October is National Cyber Security Awareness Month? This month, we are sharing some of the ways that we work to keep our students safe online at SHS using the following guidelines:

1. Set preventative boundaries & clear expectations
2. Teach & guide proper use & behavior
3. Reflect & problem solve when mistakes & challenges do occur
4. Use appropriate, logical consequences when needed

What do we do as a school to keep our children safe on their devices?

We reflect & problem solve when mistakes and challenges do occur, and use appropriate, logical consequences when needed.

Last week, we talked about the explicit lessons that we teach our students in order to stay safe online. As with all things, once we have done what we can to set our kids up for success with physical settings, clear expectations, and explicit lessons, we must tackle mistakes & challenges as they come. We realize that our students are always learning. Sometimes, they are purposefully pushing boundaries and sometimes they make genuine mistakes. Often, mistakes provide an opportunity for growth. When these situations occur, we turn them into conversations and chances for authentic learning. When necessary, we use logical consequences directly related to the error. Examples include:

- Misuse of a device= Loss of a device

- Sending an unkind message= Sending a kind apology
- Visiting an unsafe website= Setting further blocks on firewall & learning more about *why* it matters
- Sharing a password= Having child update passwords

For more ideas on how to reflect and problem solve with your child, check out this article, [Help Teens Avoid Online Mistakes](#).

Connect: Discuss with your child- Have you (parent) or has someone you know ever made a mistake online? What did you/he/she do to problem solve? Were there any consequences?

From the Development Office

Join us in our first fundraiser for the 2019-2020 school year and help us “*Fill the Heart*” on November 19th!

Why do we need to raise funds for our school?

We strive to keep Sacred Heart School affordable for all families. While tuition is primarily used to pay for teacher and staff salaries, all of our fundraising revenue is used to support programs that foster our students’ learning and growth as well as our current operating expenses.

Why support the Sacred Heart School Annual Fund?

100% of your gifts made to the SHS Annual Fund go *directly* to our school. Your gift is essential in fulfilling our mission to provide an excellent academic education in an environment of faith and virtue. Gifts are tax-deductible and available for corporate match programs. To see if your gift qualifies, please click [matching gifts](#).

How can I help?

Please join us on or before November 19th to make your Annual Fund gift to *Fill the Heart*! You can make a pledge or donation at [SHS Annual Fund](#). Our 2019-2020 SHS Annual Fund goal is \$275,000.

The winter musical has been selected and revealed. We are excited to announce it will be The Marvelous Land of Oz! We look forward to presenting the musical at the Kirkland Performance Center on March 6-8, 2020.

From the Parish

Pope Francis intention for fall - A Missionary "Spring" in the Church. That the breath of the Holy Spirit engender a new missionary "spring" in the Church.

Perseverance – Jesus noticed Zacchaeus from the crowd and his persistence. He has a strong desire to see and met Jesus. Jesus goes against murmurations and acknowledges him two times, first noticing him then spending time at his place. The "word-on-the-street" was that tax-collectors were not reputable people hence publicly people refrained from relating and engaging with them. But not Jesus. Zacchaeus teaches us a great lesson, that just like he went out of his way and persevere, if we keep seeking Jesus constantly, Jesus will notice and will ask us to come to our house--into our life in a tangible way. Jesus will not pay attention to what other people think of us nor to public opinion. He only cares about each one of us just the way we are. All we have to do to get Jesus attention is to persevere regardless of the obstacles we will encounter on the way to meet him, just like Zacchaeus did. The only catches are 1) He will asks

us to give up all things that distract us from a healthy relationship with Jesus; 2) it will be in Jesus' time vs. our time but He will show up because He cares about each one of us like no one.

Men's Group Meetings

These continue to meet every Saturday morning at the Parish Hall at 8:00am for an hour. Bring a friend and share this hour of fellowship in Christ with fellow parishioners.
